Dear Sir,

We would like to get into your consideration that we are not having 30 share certificate copy at our end. We couriered you the hard copy of the Share certificate with 100 Qty mentioned in it. But the same was returned back to us stating that 30 shares certificates were missing.

Even I mentioned in the letter shared at your end stating that we are not having the share certificates at our end

Request you to kindly provide a process to get the share certificates issued in the name of Charu Wadhwa.

What all documents would be required to get the new certificates issued so that we can proceed further.

If any further clarification is required please let us know on 9009987686 or revert back to us

Thanks and Regards:
