Xpro Global Limited : Annual Report 2023/24

REPORT OF THE DIRECTORS TO THE MEMBERS

We present herewith our Annual Report together with the Audited Financial Statements of the Company for the year ended March 31, 2024.

Review of Operational Matters

Global growth is projected, per the IMF World Economic Outlook, to stay at 3.1 percent in 2024 and rise to 3.2 percent in 2025. Elevated central bank rates to fight inflation and a withdrawal of fiscal support amid high debt weigh on economic activity. Inflation is falling faster than expected in most regions, amid unwinding supply-side issues and restrictive monetary policy. The outlook also pegs India's growth rate at a level of 6.8%, while per an ADB report, growth, in India, is forecast to remain strong at 7 % for fiscal year 2024-25, as rising consumption complements continued investment growth. Services will remain the growth mainstay, with manufacturing expected to play a strong supporting role. A decline in inflation continues, and private sector confidence is reportedly improving.

No trading or other operations were undertaken by the Company during the year. Total income during the year was Rs.0.81 lacs (Rs.0.83 lacs previous year) and working for the year yielded a marginal profit before tax of Rs.0.05 lacs (Rs.0.01 lacs previous year). No provision is made towards current income tax. The Company remains debt and encumbrance free.

The Company in pursuance of its long term strategy, continues to seek further opportunities for domestic and international trade within the polymers segment (seen as high growth potential areas) and forming the parent Company's core activity. However, no suitable and viable opportunities have yet been identified taking into consideration the Company's size and scale.

No dividend is proposed.

Statutory and Other Matters

Sri U C Jain (DIN: 00008980), who would have been liable to retire by rotation at the last Annual General Meeting did not seek reappointment due to personal reasons and general health considerations; also confirming that there were no other material reasons for his decision. Accordingly, the Shareholders had approved the same, with effect from May 29, 2023 and also approved to not fill, for the time being, the vacancy arising from Sri Jain's retirement.

Sri Vinay Kumar Agarwal was nominated by Xpro India Limited (Holding Company) to the Board of the Company and appointed as an additional Director w.e.f. August 8, 2023. He holds office until the conclusion of the ensuing Annual General Meeting of the Company and is eligible for reappointment. The Board recommends his appointment for the approval by the members of the Company

Having taken reasonable and bonafide care, pursuant to Section 134 (3)(c) of the Companies Act, 2013, the Directors indicate that (i) in the preparation of the annual accounts the applicable accounting standards had been followed along with proper explanations relating to material departures; (ii) the Directors had selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for the year; (iii) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the Company's assets and for preventing and detecting fraud and other irregularities; (iv) the Directors had prepared the annual accounts on a 'Going Concern' basis; and (v) the Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

During the year, Board Meetings were held on May 3, August 8 & November 2, 2023 and on January 22 & March 28, 2024.

Auditors' observations are self-explanatory and do not call for any further clarifications.

M/s. S. V. Kedia & Co., Chartered Accountants (FRN: 324122E), Kolkata had been appointed as the Statutory Auditors of the Company at the 19th Annual General Meeting held on August 31, 2020 to hold office until the conclusion of the 24th Annual General Meeting of the Company, i.e. for a term of five years.

The Annual Return (Form MGT-7) is available on the web-site of the Holding Company at www.xproindia.com/annual-reports.html, as the Company does not maintain its own web-site.

The provisions of Section 135 of the Companies Act, 2013 relating to Corporate Social Responsibility are not applicable to the Company. The provisions of Section 197 (particulars of employees) of the Companies Act, 2013 are

Xpro Global Limited : Annual Report 2023/24

not applicable to the Company as there were no relevant employees during the year. No complaint relating to sexual harassment at work place has been received during the year.

The Company has not during the year (i) given any loans or guarantees or made any investments; or (ii) entered into any related party transactions which may have a potential conflict of interest with that of the Company and to which Section 188(1) of the Act applies.

Particulars of Conservation of Energy and Technology absorption prescribed under Section 134(3)(m) read with Rule 8 of the Companies (Accounts) Rules, 2014 are not applicable to the Company. There were no Foreign Exchange earnings or outgo during the year (previous year: Nil). The Company has complied with the applicable Secretarial Standards, i.e. SS-1 and SS-2 issued by the Institute of Company Secretaries of India.

Other provisions of Section 134(3) of the Companies Act, 2013 and relevant Rules are not applicable to the Company.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF XPRO GLOBAL LIMITED

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Xpro Global Limited (the 'Company'), which comprise the Balance Sheet as at 31 March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2024, its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

4. a) The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include financial statements and our auditor's report thereon.
b) Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.
c) In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
d) If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

5. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis

Xpro Global Limited : Annual Report 2023/24

of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, Under section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

13. The Company has not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) is not applicable.

Xpro Global Limited : Annual Report 2023/24

14. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
15. Further to our comments in Annexure I, as required by Section 143(3) of the Act, we report that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure II". Our report expresses an unmodified opinion on the adequacy.
 - g) adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i) the Company does not have any pending litigations which would impact its financial position;
 - ii) the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii) there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
 - iv) Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.
 - v) the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from November 8, 2016 to December 30, 2016 which are not relevant to these financial statements. Hence reporting under this clause is not applicable.

Annexure “II”

Independent Auditors’ Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Xpro Global Limited (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Xpro Global Limited : Annual Report 2023/24

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Xpro Global Limited : Annual Report 2023/24

Notes forming part of the Financial Statements

1. **Company Information:**

Xpro Global Limited ("the Company") is a public company incorporated on April 10, 2001 under the Companies Act, 1956; domiciled in India, its registered office is located at "Birla Building", 2nd Floor, 9/1, R N Mukherjee Road, Kolkata 700 001. The Company is a wholly owned subsidiary of Xpro India Limited, a listed public company incorporated in India. At present, the principal activity of the Company is general trade.

2. **Basis for Preparation:**

a. **Statement of compliance**

These financial statements have been prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013. Financial statements for the year ended March 31, 2018 are the first to have been prepared in accordance with Ind AS.

These financial statements of the Company for the year ended March 31, 2024, were authorized for issue by the Board of Directors on May 13, 2024.

b. **Basis of measurement**

These financial statements have been prepared on a historical cost basis except for (a) certain financial instruments that are measured at fair values at the end of each reporting period and (b) net defined benefit assets/liability measured at fair value of planned assets less present value of defined benefit obligations. The methods used to measure fair values are discussed further in notes to financial statements.

c. **Functional and presentation currency**

The financial statements of the Company are presented in Indian Rupees (Rs.), which is also its functional currency. All financial amounts disclosed in the financial statements and notes have been rounded to the nearest lakh (upto two decimals), unless stated otherwise.

d. **Current and non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- i) Expected to be realised or intended to be sold or consumed in normal operating cycle;
- ii) Held primarily for the purpose of trading;
- iii) Expected to be realised within twelve months after the reporting period; or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

Current assets include current portion of non-current financial assets.

All other assets are classified as non-current.

Liability is current when:

- i) It is expected to be settled in normal operating cycle;
- ii) It is held primarily for the purpose of trading;
- iii) It is due to be settled within twelve months after the reporting period;
- iv) There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Deferred tax assets/liabilities are classified as non-current.

Operating Cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. The Company has identified a period of twelve months as its operating cycle.

e. **Fair Value Measurements**

The Company measures financial instruments at fair value which is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction takes place either in the principal market for the asset or liability or in the absence of a principal market in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Inputs other than quoted prices, included in Level, 1 that are directly or indirectly observable for the asset or liability;
- Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Xpro Global Limited : Annual Report 2023/24

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. For assets and liabilities that are recognised in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. The Company recognises transfer between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in Note 3(k) - Financial Instruments.

3. Material accounting policies:

A summary of the material accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the standalone financial statements.

a. Inventories

Inventories are valued at the lower of cost and net realisable value after providing for obsolescence and other losses wherever considered necessary. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition and is determined on a FIFO basis. The cost of purchase consists of the purchase price including duties & taxes other than those subsequently recoverable by the enterprise from the taxing authorities, freight inwards and other expenditure directly attributable for its acquisition. Stock in Transit is valued at lower of cost and net realisable value. Scrap is valued at estimated net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. The comparison of cost and net realisable value is made on an item-by-item basis.

b. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

c. Revenue recognition

Sale of Goods: Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have been transferred to the customer, and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, related discounts and claims. It excludes Goods and Services Tax, value added tax/sales tax and Excise Duty. The above mentioned factors coincides with dispatch of goods from the factory/storage area and port (in case of exports).

Sale of Services: Revenue from job work services and management consultancy services are recognized based on the services rendered in accordance with the terms of contracts.

Dividend Income: Dividend Income is recognized when the Company's right to receive is established which generally occurs when the shareholders approve the dividend.

Interest Income: Interest income from a financial asset is recognized when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and the interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Other Income: Interest income is recognised, when no significant uncertainty as to measurability or collectability exists, on a time proportion basis taking into account the amount outstanding and the applicable interest rate, using the effective interest rate method (EIR).

d. Income tax

Income tax expense comprises current tax, which is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustment to tax payable in respect of previous years. Current tax expense is recognised in profit or loss except to the extent that it relates to items recognised directly in other comprehensive income or equity, in which case it is recognised in other comprehensive income or equity.

e. Earnings per share

Basic earnings per share is computed by dividing the net profit or loss for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.

The Company did not have any potential dilutive securities in any period presented.

Xpro Global Limited : Annual Report 2023/24

f. Use of estimates and management judgements

The presentation of the financial statements are in conformity with the Ind AS which requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

c) **Financial Risk Management Objectives**

The Company's financial liabilities comprise mainly of borrowings, trade payables and other financial liabilities. The Company financial assets comprise mainly of cash and cash equivalents, other balances with banks, loans, trade receivables and other financial assets.

The Company's business activities are exposed to a variety of financial risks, namely market risk (including currency risk and interest rate risk), credit risk and liquidity risk.

The company's Board of Directors has the overall responsibility for establishing and governing the Company's risk management framework who are responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Board.

Management of Market Risk

The Company's size and operations results in it being exposed to market risks in the nature of interest rate risk that arises from its use of financial instruments.

Interest rate risk is the risk that the future cash flow with respect to interest payments on borrowing will fluctuate because of change in market interest rates. The Company exposure to the risk of changes in market interest rates relates primarily to the Company's cash credit loan obligation with floating interest rates.

Interest Rate Sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows: -

<u>Particulars</u>	(Rs.in lacs)	
	Increase/Decrease in basis points	Effect on Profit Before Tax
As at March 31, 2024	100 bps	-
As at March 31, 2023	100 bps	-

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years

Management of Credit Risk

Credit risk refers to the risk that a counter party will default on its contractual obligation resulting in financial loss to the Company and it arises principally from the Company's Receivables from customers.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer including the default risk of the industry also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of the customers to which the Company grants credit terms in the normal course of business.

Management of Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
