Dear Sir/Madam,

Sub: Disclosure of information under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Xpro India Limited (the “Company”) wishes to inform that its Dielectric Films production line under installation at Barjora is at the final stages of completion.

However, the Company has learnt that a key foreign supplier has of late run into financial difficulties that could conceivably slow down some last-stage activities and our acceptance tests. These unforeseeable developments are beyond the Company’s control. The Company is taking appropriate mitigating steps, and is in active engagement with the supplier and qualified third-parties. Based on its current assessment, the Company does not anticipate fundamental impediments to completion, or to the intended performance of the line, nor to its business plans.

This update is issued purely in the interests of transparency and abundant caution. It contains forward-looking statements; actual outcomes may differ based on subsequent events and the pace of stabilization at the supplier’s end.

Thanking you,

Yours faithfully,
For **Xpro India Limited**

Kamal Kishor Sewoda
Company Secretary
